# How we can help

## About

The Whittlesea Community Connections L2P Program helps disadvantaged young people to develop their skills and confidence and therefore gain access to better education, training and employment opportunities.

The program aims to help young people aged between 16 and 20 years who do not have access to a suitable vehicle or a supervising driver, to gain the 120 hours of supervised learner driving experience required as part of the graduated licensing system in Victoria.

## Who is eligible

- Have a Victorian Learner Permit
- Aged between 16 and under 21 years
- Living, working or studying within the city of Whittlesea
- Or there is no public transport available in their area.

## Services we offer:

- Provide at least 4 introductory professional lessons
- A maximum of 2 hours of supervised lesson every week
- On going support from program coordinator
- Preparation or licence test.
