

Are you over 14 years old?

Do you live in or around Mernda?

If yes we would like to know:

- What you need to know about healthy relationships
- The easiest way to get information

You can tell us directly or by joining the **Youth Advisory Group**. The group will meet monthly at a place near you to talk about issues affecting young people and create change. You don't need any experience just a willingness to make a difference.

By joining you will also:

- Meet other young people in your area
- Learn new skills and gain new experiences
- Help your local community

To let us know what you think or to join the Youth Advisory Group please contact Emma on 9401 6666 or eantonetti@whittleseacc.org.au
